SEDALIA, MISSOURI, WEDNESDAY EVENING, JULY 6, 1910.

VOL. 4, NO. 157. PRICE FIVE CENTS

ARE AFTER MARY

**AUTHORITIES OF NEVADA, MO.,
CAUSE REARREST OF MAS-
QUERADING WOMAN.**

SHE FOOLED A TOWN CONSTABLE

Also, 'Tis Said, Took From a Rail-
road Engineer Many of His Val-
uables, Including His Bro-
therhood Card.

Mrs. Mary Painter, alias Grace
McKinley, alias Grace Mack, arrested
by the Sedalia police last Satur-
day for masquerading as a man, is
not the quiet, unassuming female
which so many Sedalians first
thought, when notice of the arrest
was chronicled in the local press.

On the contrary, Mary is quite a
character. She was arrested by M.
T. Henderson, sheriff, at 10 o'clock
this morning and lodged in a cell in
the county jail, awaiting the arrival
of an officer from Nevada, where she
is wanted for embezzlement.

I. M. Wilson, a Vernon county
constable, will arrive here at 6
o'clock this evening to assume
charge of Mary, and will leave on
the first train with the woman who
has caused so much talk.

Mary was working as a waitress at
the Blackman hotel, where she se-
cured employment after being liber-
ated from the city jail yesterday
morning. She had worked less than
a day when the Nevada authorities
got a line on her and immediately
started to effect her return there.

The charge in Vernon county is a
rather singular one and character-
izes Mary exactly according to the
suspicions of the police when she
was arrested here. Several weeks
ago Mary was arrested at Nevada for
being guilty of conduct unbecom-
ing a lady.

She was arraigned in the Nevada
courts entered a plea of guilty and
was fined a total sum of \$10.40. She
led the authorities to believe she had
money on deposit in an Iowa, Kan-
sas and tested a check for the
amount on the Iowa institution. Con-
stable Wilson then released her.

The check was sent to the bank
for payment and was pronounced no
good. Wilson of necessity, and not
of choice, had to pay the amount. In
the meantime Mary went to Rich-
land, where she took up her abode
with a locomotive engineer. While
occupying the same apartments with
the railroad man, Mary one night
quietly arose, confiscated to her own
use his valuables and brotherhood
card and the same night garbed her-
self in male attire and started on her
eventful tour. That was her undoing
and that led to her arrest.

The woman's husband is a laborer
at Nevada. She and he have been
separated for about two years. She
had been traveling in company with
another Nevada girl named Gertrude
McKinnan, but this girl failed to
alight in Sedalia.

Mary's stories since her arrest and
incarceration have been conflicting,
to say the least. When arrested this
morning and told she was wanted at
Nevada she evidenced the utmost sur-
prise, and alleged by everything that
is pure and holy that she never had
done anything in Nevada to cause her
arrest.

R. D. WILSON WAS SET FREE

**The Charge of Embezzlement Against
Him Is Dismissed.**

R. D. Wilson, a clerk for the Wes-
ton Commissary Co. at the new Mis-
souri Pacific shops, who was arrest-
ed Monday for absconding with \$60
of the firm's money, was released
from jail by Sheriff M. T. Hender-
son last night. The charge has been
dismissed.

Wilson, it appears, began drinking
while he had some \$60 of the firm's
money on his person. The company
owed him some, a smaller amount,
and in his escapade he spent more
than he had coming to him.

In view of the fact that Wilson's
clothes were at the shop grounds,
evidence that he did not intend to
leave the city, the company refused
to prosecute.

Body Buried at Leavenworth.

The remains of John Breenahan, a
former Sedalian, who was found half
dead by the side of the railway tracks
at Kansas City, Kas., last Saturday
night, dying several hours later, were
buried at Leavenworth, Kas., Tues-
day.

The Arnolds Are Painting.

The Arnold building on South La-
mine avenue, the center of attraction
on Wall street, occupied by the Har-
ris tailoring establishment and part-
ly by the Monarch Laundry company,
is undergoing a new coating of paint
—a brilliant red, with trimmings,
which improves the appearance of
the place fully 100 per cent.

Walter Staley's Baby Boy.

Mr. and Mrs. Walter E. Staley, the
former manager of the Sedalia Un-
dertaking and Carpet company, are
rejoicing over the arrival of a son,
born at their West Fourth street res-
idence this morning. Dr. W. J. Fer-
guson was the attending physician.

HANGED IN TEXAS

**AN UNIDENTIFIED NEGRO WHO
ATTACKED YOUNG WHITE
WOMAN AT RODNEY.**

IS A BRIDE OF ONLY THREE WEEKS

**Taken Before His Victim, Who Said
He Was the Guilty Party, So
the Mob Got Busy With
Him Without Delay.**

Corsicana, Texas, July 6.—At Rod-
ney, twenty-five miles southwest of
Corsicana, yesterday, an unknown ne-
gro was lynched for an attack on a
white woman Monday evening.

Early Monday evening the negro
entered the home of Hub Bailey, a
merchant, and with a razor in his
hand attacked Mrs. Bailey, a bride of
three weeks. She grappled with the
negro, and when she secured the razor
the black fled.

Just before daybreak yesterday
morning the negro was captured and
taken before Mrs. Bailey, who iden-
tified him. At 7 o'clock he was taken
to the gallows and hanged.

IS NOT A SOCIETY BELLE

**Mrs. "Bill" Painter, Who Was Ar-
rested in Sedalia.**

The Nevada Post of Tuesday had
the following in regard to Mrs. Mary
Painter, of that city, who was ar-
rested here last week, under the
name of Grace McKinley, for mas-
querading as a man.

"Mrs. Painter is the wife of Bill
Painter, of this city, and has been
married eight years. She is 27 years
old and has been arrested here sev-
eral times for disturbing the peace
and being drunk.

"The last time she was arrest-
ed, about a week ago, she was given two
hours by the authorities to get out of
town and was put off the train at Se-
dalia for disturbing the peace."

CLASS ENJOYED PICNIC

**Mr. and Mrs. F. O. Withers Made It
Pleasant for Young Ladies.**

Mr. and Mrs. F. O. Withers, the
former a Missouri Pacific railway
clerk, very pleasantly entertained
Mrs. Withers' Sunday school class
of the Epworth M. E. church at a
picnic at the fair grounds Tuesday.
In the evening the young folks en-
joyed an automobile ride as guests
of Dr. E. C. Frank, after which they
also enjoyed a trolley ride, returning
then to the fair grounds, where a
sumptuous supper was served.

These guests attended: Misses Ora
Paul, Clara Slagle, Mildred Slagle,
Veima Neighbors, Roleta Holland, of
Jefferson City; Olive Stanley, Edith
Stanley and Mafie LeBelle.

PICTURES GET BLOWS

**Two Cities Refuse to Allow Reno
Prize Fight Reproductions.**

Fort Worth, Texas, July 6.—In re-
sponse to the request of Mayor Davis
the city commission has passed an or-
dinance prohibiting the showing of the
Reno prize fight pictures here.

Harrisburg, Pa., July 6.—Mayor E.
S. Meals, of this city, today issued an
order prohibiting the showing of the
Reno prize fight pictures here.

The mayor said that Harrisburg
has many colored people, and he
could not take chances of race dis-
turbances.

YOKE IS REMOVED

**THEATER OWNERS' ASSOCIATION
DOING EFFECTIVE WORK IN
FIGHT AGAINST TRUST.**

SEDALIA GETS BEST ATTRACTIONS

No More "Dark" Houses for the Se-
dalia Theater—Bookings to
Date Include the Best That
Are on the Road.

The theatrical season of 1910 and
1911 will show a marked change in
Sedalia, especially with the Sedalia
theater.

This theater is now a member of
an organization known as the Na-
tional Theater Owners' association,
which is making an effective fight to
better conditions in cities like Sedalia
throughout the country. A letter re-
ceived recently from President John
Cort of the Theater Owners' associa-
tion by George Hall, manager of the
Sedalia theater, explained the mis-
sion of the association and the suc-
cess it is meeting with.

Here it is:
Dear Sir, So many misleading
statements have been sent out from
the offices of Messrs. Klaw & Erlan-
ger which are quite liable to discon-
cert dramatic editors, theater owners,
players, producers and play goers,
that I am frequently called upon by
representatives of the various publi-
cations for explanation of the objects
for which the National Theater Own-
ers' association is making its suc-
cessful fight and the reasons for Klaw
& Erlanger opposing this organiza-
tion.

The objects of this association are:
Mutual benefit for those engaged in
operating theaters, playing first-class
traveling companies, proper adjust-
ment of equitable practices, the gen-
eral advancement of the business in-
terests of its members, to encourage
the production of clean, wholesome
plays, to keep members advised of
matters affecting their interests and
to take action thereon, to promote
harmony in business and secure the
mutual advantages of organization.

For years the press and the the-
ater going public throughout the
country have been demanding better
attractions. Theater owners have
been overwhelmed with questions as
to why they could not have certain
stars and plays that had become fa-
vorites in the theatrical centers. For
the managers of such theaters to give
answer that the Theatrical trust pro-
hibited them providing such attrac-
tions for their patrons was almost
suicidal. I meant disbarment. Concert-
ed action in an independent move-
ment was the only solution to the
question. During all this time the
owners of theaters have been labor-
ing under the yoke of oppression. For
days, and even weeks, at a time,
their houses have been kept dark
simply because Klaw & Erlanger, act-
ing as their looking agents, refused

SEDALIA BOY GOING UP

**Porter Brown Vice President of a Big
Corporation.**

The Robinson Seed and Plant com-
pany, of Dallas, Texas, of which cor-
poration Porter Brown, a Sedalia
boy and son of C. D. Brown, of this
city, is vice president and general
manager, recently consolidated with
the Texas Seed and Floral company,
of Dallas, increasing the capital stock
from \$25,000 to \$100,000.

Young Mr. Brown, who is a thor-
ough business man in all that the
term implies, will continue with the
new corporation in the capacity of
vice president and general manager.

cently elected to fill the pastorate of

lumbus day, October 12.

THE NEXT BATTLE

**AL KAUFMAN MAY BE THE ONE
TO MEET "JACK" JOHNSON
IN THE RING.**

DELANEY BEGINS TO GROOM HIM

It is Understood That W. A. Brady Is
Willing to Put Up the Necess-
ary Coin Provided the
Match Is Made.

New York, July 6.—It will not be a
surprise if the crafty Delaney begins
to groom Al Kaufman for a match
with Johnson.

Kaufman is 23 years old, and, hav-
ing trained with Johnson for nearly
six weeks, he probably knows the ne-
gro's methods better than anybody.

Delaney, it is said, took hold of
Johnson for the purpose of securing
needed experience for Kaufman.

Johnson did not do much damage
when he outpointed Kaufman in a
ten-round bout in Frisco last fall and
Delaney, it is reported, has been se-
cretly planning to bring the men to-
gether again in a championship bat-
tle.

Kaufman is the only white man
capable of putting up any kind of a
fight with Johnson, Delaney says, and
for that reason a challenge in behalf
of the young Californian may soon be
forthcoming.

It is understood that W. A. Brady
will furnish backing for Kaufman if
Johnson agrees to take him on.

CALVARY PARISH PICNIC

**To Be Held at the Beautiful Country
Home of Walmseys.**

The Sunday school and parishion-
ers of Calvary Episcopal church are
to enjoy their annual outing tomor-
row afternoon at the home of Mr.
and Mrs. John Walmsey, at Forest
park, south of the city.

Conveyances for the children will
leave the church at 1:30 sharp, re-
turning at 8 o'clock.

All the members of the parish are
urged to turn out and help the chil-
dren to have a good time and make
this outing a big church social.

An ideal place for this picnic has
been chosen—fine shade, fine water,
plenty of hospitality. Let the grown
people bring well filled baskets.

"HENRY" BUYS A LIVERY

**Former Fire Chief Bought Tom Shock
Livery Stable.**

Henry Willis, who Tuesday resign-
ed as chief of the Sedalia fire depart-
ment, after twenty-three years' con-
tinuous service with that department,
today purchased from J. R. McAllister
the old Tom Shock livery barn,
on South Osage avenue, which he
will conduct in the future.

Mr. Willis at once purchased sev-
eral new vehicles and will conduct
the place as a livery and boarding
stable.

**Neogo, Ill., Minister Assailed Boot-
leggers and Gamblers.**

Mattoon, Ill., July 6.—The home of
the Rev. R. B. Fisher, pastor of the
Presbyterian church at Neogo, who
has made from his pulpit numerous
attacks against bootleggers and gam-
blers of the town, was dynamited at
1 o'clock yesterday morning.

The windows in the pastor's home
and adjoining dwellings were shat-
tered.

THREAT FOR 'JACK'

**CROWD DARES PRIZE FIGHTER
TO LEAVE SPECIAL CAR
AT OGDEN, UTAH.**

STARTED TO ACCEPT CHALLENGE

One of His Companions Would Not
Permit It—Trainer Kicked White
Man and Then Spat Tobacco
Juice in His Face.

Ogden, Utah, July 6.—Jack Johnson
was greeted by a crowd of 5,000 per-
sons when the train to which his pri-
vate car was attached pulled into
Ogden yesterday. Johnson appeared
upon the platform and in response to
desultory cheering said:

"Well, people, I turned the trick
and I'm going back to Chicago to my
mummy. I went out there de'ermind-
ed to turn the trick and I had no
trouble in doing it."

After shaking hands with a few ne-
gro admirers Johnson returned to the
car and seated himself next to an
open window beside his wife.

Three white men walked up to the
open car window, and applying an
epithet to Johnson in the presence of
his wife, dared him to come to the
platform. Johnson started to his feet,
but one of his companions drew him
down again.

The white men rushed to the rear
platform, where one of them was met
with a kick by one of Johnson's train-
ers and a mouthful of tobacco juice
in the eyes. Policemen rushed up
and forced the crowd back.

The doors of the cars were locked
and the conductor waved the engi-
neer to pull out. Several threats to
kill Johnson were made by the
crowd that gathered about the car.

**Bride and Groom Will Be Entertained
Friday Night.**

this city, north of Hughesville, in
compliment to Mr. and Mrs. J. J.
Stober, the latter formerly Miss
Mayme Thornton, who recently re-
turned from a honeymoon trip
through the west.

A number of Sedalians will attend
the function.

farewell reception at her home, 216
West Sixth street, tonight.

The function is being arranged by
her sister, Miss Mamie, and thirty
young folks will attend.

Various amusements will be pro-
vided, and at a late hour refresh-
ments will be served.

HAVING DELIGHTFUL TRIP

**Two Sedalia Ladies Are With Party
in the East.**

Tom Wall, traveling passenger
agent for the Missouri Pacific rail-
way, who is accompanying a special
party of teachers on a trip through
the east, writes J. V. McClain, local
passenger and ticket agent, under the
heading, "Down the St. Lawrence,"
that the party is having a delightful
trip.

Misses Nettie and Jessie Kennedy
are accompanying the ladies.

Suit Filed for Divorce.

Ella Wieder, nee Pahl, through At-
torney A. L. Shortridge, today
brought suit in circuit court for di-
vorce from John H. Wieder, charging
intoxication and abuse. They were
married in Illinois on November 15,
1904, and separated on June 25, 1910.

Postponed a Social.

The lawn-social to have been given
on the lawn of the Broadway Presby-
terian church tomorrow night has
been indefinitely postponed.

Funeral Held This Morning.

The remains of C. E. Brown, better
known as "Joe" Brown, a former Se-
dalian, who died at Topeka, Kas.,
Sunday, arrived in Sedalia at mid-
night last night.

The Rev. Shouse conducted funeral
services at Bethlehem church, north
of Sedalia, at 11 o'clock this morning.
Burial was in that locality.

Officers Raised Up Last Night.

The newly elected officers of Apa-
che tribe No. 55, I. O. R. M., whose
names were printed in the Democrat-
Sentinel at the time of election, were

of the tribe.

LAW IS ATTACKED

**PROHIBITION FIGHT STARTS
IN THE SPRINGFIELD, MO.,
COURT OF APPEALS.**

NOTED CASE COMES UP TOMORROW

Defendant Is Harvey Leach, Who Is
in Jasper County Jail, Charged
With Selling Booze in
"Dry" Territory.

Springfield, Mo., July 6.—Opinions
in sixty-nine cases will be handed
down by the Springfield court of ap-
peals during the sitting of that body
in the July call of the March term,
which began this morning for a three
or four days' session.

One of the most interesting pro-
ceedings before the court will take
place Thursday morning, when Har-
vey Leach will be brought before
Judge Howard Gray on a habeas cor-
pus petition. Leach is now in the
Jasper county jail at Carthage,
charged with selling a pint of whisky
in Webb City in violation of the local
option laws.

This is the first shot in the opening
battle between Jasper county temper-
ance forces and those opposed to the
operation of the local option law.

In his petition Leach attacks the
validity of the law in Webb City,
where it has been operative since last
March, by asserting the notice of the
election was only published in a
Webb City newspaper.

HURT IN AN AUTO WRECK

**St. Joseph Woman Injured in Minne-
apolis Accident.**

St. Paul, Minn., July 6.—Miss Leida
Hutchings, of Minneapolis, and Miss
Ada Lyon, of St. Joseph, Mo., were
painfully injured in an automobile
accident at Wayzata yesterday.

The girls were riding alone, when,
just out of Wayzata, an exclusive
summer colony on Lake Minnetonka,
they turned out for a passing ma-
chine.

The car skidded and the girls were
thrown to the ground beneath it. The
wind shield was demolished and
pieces of small glass struck in Miss
Lyon's eye.

The glass was removed by physi-
cians, however, and Miss Lyon's
sight may not be impaired. Both
girls sustained painful bruises, but
will recover.

FEE BILLS WERE BIG

**County Court Allowed Them to the
Amount of \$1,938.55.**

C. W. McAninch, presiding judge
of the county court, Judges A. L.
Haggard and C. W. Knox concurring,
today allowed fee bills to the amount
of \$1,938.55.

Of this sum \$500.70 in fees was
held up from the month of May, the
remainder, \$1,437.85, being for June.
The majority of the cases tried
during the month were for vagrancy,
and before allowing the bills the
judges issued orders that only in
cases of absolute necessity must va-
grants be arrested.

The court issued an order dividing
Washington township into two voting
precincts.

Licensed to Marry.

Marriage licenses were issued to
the following today:
George D. Tomlinson, of Kansas
City, and Nona E. Nichols, of Hart-
sburg.

R. L. Fluty and Dona E. Rice, both
of Knob Noster.

**MISS MARY SNEED THOMPSON,
WHO IS TO MARRY MR. L. J.
MEISER, JUNIOR.**

CEREMONY BE SAID IN ST. LOUIS

**Boer War Hero, Now at Work in
Mexico, Will Become Benedict
During July—The Rev. Dr.
Cannon to Officiate.**

Lewis J. Meiser, jr., whose parents
live at 4230 Morgan street, arrived in
St. Louis yesterday morning from
Agua Calientes, Mexico, says Wed-
nesday's St. Louis Globe-Democrat.
Mr. Meiser and Miss Mary Sneed
Thompson, sister of Collins Thomp-
son, confidential man to D. R.
Francis, will be married at Miss
Thompson's home in Kirkwood the
latter part of this month.

Mr. Meiser, who is about 30 years
old, has had a varied career since
leaving Christian Brothers' college
ten years ago. At the outbreak of
the Boer war he was in South Africa
and he promptly volunteered in the
English army.

Mr. Meiser served with distinction
through this conflict and when peace
had been restored he returned to St.
Louis. Tiring of city life he again
left home, this time going to Mexico,
where he took a position with the
Mexican Central railway. Four years
ago he was offered a position with
the American Smelting and Refining
company in their Agua Calientes
plant. This he had held ever since
and is now settlement clerk for the
company.

It is understood that the wedding
ceremony will be performed by Rev.
Dr. John F. Cannon, pastor of the
Grand Avenue Presbyterian church.

MRS. HAVERLY IS DEAD

**Widow of Once Famous Minstrel
Man Dies in Poverty.**

New York, July 6.—Editha, the wi-
dow of Col. Jack Haverly, in his day
the chief of all the minstrel men,
died yesterday in a private sanitarium.

Eight weeks ago Mrs. Haverly un-
derwent an operation from which she
never recovered. She is survived by
Ida Haverly, a stepdaughter. She
was 60 years old.

In Forty-second street, off Broad-

tle sign displayed in the window
which reads, "Jack Haverly

THE WEATHER FORECAST.

Generally fair tonight and Thurs-
day; cooler tonight.

BELONGS TO THE NEGROES.

This silly talk about Jeffries hav-
ing been the "hope of the white
race," and that his defeat by a negro
is a disgrace that will burden the
people of Caucasian blood until an-
other white star shall arise in the
pugilistic firmament and win the
championship from Johnson, is pure
drivel.

The truth is, there is no disgrace
for a white man to be whipped in a
slugging match by a negro any more
than there is for a mule to outpull
a fast stepping trotter.
The mule is built for strong and
heavy work, and is expected to do it,
and while he is valuable for that
purpose, no one expects him to com-
pete for honors in the higher class
of performances of the equine race.
And so in pugilism. The whole
sport if it be permitted to continue,
should be confined to the race that is
now in first place.

If prize fights must take place, if
the primeval lust for blood and the
savage joy of combat, heritage from
the days when our forefathers decid-
ed every question, from courtship to
king making by brawn and muscle,
must be satisfied, let us turn the
honors and glories of the ring over to
the black man, and let the white
man satisfy his ambition by striving
for eminence in the better and most
decent fields of human endeavor. Or
if a white man will enter the ring,
and especially with negroes, don't
let us make idiots of ourselves
by crying that he is the champion of
his kind and that for him to win, will
be an honor for the entire race.

A white pugilist no more repre-
sents his race than does a white
snipe-shooter or a white scavenger.
It isn't because he is white that he
is following either occupation—it is
rather in spite of it.

No one should envy the negro's
possession of the prize fighting
championship. If such a thing is per-
mitted to exist at all, let them have
it. There are certain occupations in
which negroes are entitled to lead by
virtue of the construction of their
bodies and brains, and no one should
envy them possession of first honors
in any of them, least of all pugilism.

And while we should be content
that John Arthur Johnson shall be
acknowledged as the greatest bruis-
er on earth, we should also hope and
pray that the fight at Reno shall be
the last of these unspeakable con-
tests.

GOSPEL OF DEMOCRACY.

Jefferson stated the whole gospel
of democracy in his sixteen proposi-
tions in his first inaugural address
as president. He would, under no
temptation, bend a power of the fed-
eral government downward to pick
up a special, private or sectional in-

terest, and thus hatch a brood of
special interests to feed on the gen-
eral or common interests of the
country.

None knew as well as he that this
government has no independent re-
serve fund of property or of power
out of which to make gifts or grant
privileges. None knew better than he
that all property and power in pos-
session of our federal government are
only concessions of the people to
it in trust for all the people; that
to make gifts of this property is to
ambush it away from the many to
enrich the few; that to grant privi-
leges out of this power is to carve
such grants out of the body of com-
mon rights, hence the corner stone
of his system was equality of natu-
ral rights among men, and equal title
to the security of such rights under
the law.—Hon. Benjamin F. Shive-
ly in Norman E. Mack's National
Monthly for July.

Under presidential whip and spur
the Sixty-first congress has made
some halting pretense of redeeming
the promises under cover of which it
secured a continuing control of fed-
eral affairs. It failed to revise the
tariff in the interest of the people.
This is the greatest undermining evil
that is sapping the foundations of
good government. The congress also
failed to curb the frightful extrava-
gance and waste that has no paral-
lel in the fiscal history of nations.

The professional people manage to
get in an extensive vacation during
the months of July and August, but
the school teachers are not planning
that way. A large number of them
are taking advantage of the Univer-
sity summer schools. Still others are
at the various state normals, while
quite a few are in the special tech-
nical schools, specializing on particu-
lar lines.

Hobbles for pacing horses are well
known to the fraternity, but hobble
skirts for women are the newest
Parisian wrinkle. They are less than
a yard in circumference and have to
be lifted above the knee when
alighting from a carriage.

Speaker Cannon extolled the Sixty-
first congress as the best congress
of his time. But there was no re-
sponsive commendation. The Sixty-
first congress tied the hands of its
speaker and left them tied, adjourn-
ing without the usual vote of
thanks.

Taft has guaranteed Cannon's hon-
est intentions, and yet there are peo-
ple who contend that Theodore is
the only real representative of bul-
dog courage who ever sat in the
presidential chair.

Well, why shouldn't Mr. Hitch-
cock, of Washington, be senator from
Arizona? Isn't Mr. Guggenheim, of
New York, senator from Colorado?

President Taft should not neglect
to thank the weather man for his in-
valuable assistance in getting action
on congress.

vention to call the cook.

to book the attractions of certain pro-
ducers who demonstrated their right
to freedom and independence. It was
simply a case of "the dog in the man-
ger," and the theater owner and the
producer paid the tax.

It was this condition of affairs that
finally brought about the organization
of the National Theater Owners' as-
sociation, controlling a matter of
some 1600 theaters, the doors of
which have been thrown open to all
meritorious attractions whether the
product of Klaw & Erlanger, the Shu-
berts, Henry W. Savage, Liebler &

Brady, Wegman & Kemper, Lew

wholesome attractions to offer is bar-
red. We welcome them all, but as-
sert our right to conduct our busi-
ness to the mutual benefit of our pa-
trons and ourselves.

Ours is not a fight either for or
against any one firm or individual,
but against a policy which, through
certain personal animosity, has de-
nied theater owners and producing
managers fair returns for their in-
vestments, players a reasonable num-
ber of weeks' work each season, the
press advantages which it naturally
would attain, and theater goers the
best the country affords.—John Cort,
President National Theater Owners'
Association.

Manager Hall exhibited a list of
something like forty shows already
booked for the Sedalia theater for the
coming season, and they are all good
ones. There will be other attrac-
tions added to this list just as fast
as they are booked until the season is
covered. The bookings include the
very best shows on the road, and
theater goers may look for the best
in the theatrical world for Sedalia.

DISPATCHER IN THE EMPLOY OF THE COMPANY IS SAID TO BE TO BLAME.

TRAIN ORDERS ARE CONFUSING

This Theory Is Partially Confirmed by E. A. Gould, the General Superintendent, Who Promises Rigid Investigation.

Cincinnati, O., July 6.—Interest in Monday's disastrous wreck at Middletown, O., in which more than a score of lives were sacrificed, was transferred to this city Tuesday.

A statement from J. W. Wall, pilot engineer of the Big Four passenger train, which crashed into a freight train of the Cincinnati, Hamilton & Dayton railroad, placed blame for the wreck on Train Dispatcher Smith of the latter system, at Dayton, and in

this he was partially confirmed by E. A. Gould, general superintendent of the Cincinnati, Hamilton & Dayton. Wall exhibited four train orders, not one of which gave any indication that the passenger train was to meet any other train at Pottstown or any other station between Dayton and Cincinnati.

These orders, Wall added, were all he had to guide him the day of the wreck. He had not only his own copies, but also the duplicates issued to the regular engineer of the Big Four train, the latter giving them to Wall for safe keeping.

"I have an idea that some such reason was responsible for the accident, but I cannot say positively that it was," said Superintendent Gould. "It looks as though the failure of the passenger train to get certain instructions caused the wreck."

"But before I can say anything definite the investigation will have to be carried further. We will go to the bottom of the affair."

Local officers of the Big Four road were not yet willing to account officially for the wreck. "A misunderstanding of orders was mentioned," but whose misunderstanding they did not attempt to say.

The attitude of the Cincinnati, Hamilton & Dayton officials was taken to mean, however, that the predicted dispute between the two sets of officials over responsibility for the disaster would not materialize.

With the identification of four unnamed bodies at Middletown all the nineteen dead in that place were accounted for. Two more victims died early yesterday, one at Dayton and one at Hamilton. These were John Rankin, Springfield, Ohio, and Evelyn Lloyd, Round Point, Mo., and their passing made the death list twenty-one. Four others are scarcely expected to survive.

THAT IS WHAT "JIM" JEFFRIES CLEANED UP ON THE BIG FIGHT.

\$47,000 MORE THAN JOHNSON

Relegated With the "Has Bees," He Resents Pity Which His Admirers Feel—Promoters' End Is About \$100,000.

Reno, Nev., July 6.—Back to the farm.

That's the programme for J. J. Jeffries, defeated ex-champion heavyweight of the world.

With his conqueror, Jack Johnson, the only undisputed negro heavyweight champion in the history of the ring, speeding eastward with the title and a roll of theater contracts, the boilermaker pulled apart his elaborate training camp at Moana Springs to return to his ranch near Los Angeles.

Though chary of discussing his plans, those close to the former champion say he will abandon his theatrical contracts and the proposed tour of the world, which were victory his, would have been an unprecedented triumphal trip and the source of another fortune.

Jeff, in defeat, retains much of his popularity—now tinged with a pity that is as bitter as gall to him. In the hearts of the sporting fraternity, he appears today to be held second only to John L. Sullivan among the men who have won and lost.

No one doubts Jeff's seriousness. He is to take up the white man's burden, yet the fight has brought him a pot of money which no winner has ever gained.

On the actual returns of the fight Jeffries received \$3,534 less than the winner who vanquished him.

Counting the money each has made since the articles were signed in Hoboken last October, Jeff has cleaned up \$192,060, against \$145,000 for the victor. Taking these totals, the average for each minute spent in the ring Monday is, for Johnson, \$2,680, and for Jeffries, \$2,600. The total earned by both fighters since October is \$337,665.

Here are the shares as they appear on this basis:

Johnson—Sixty per cent of the purse	\$ 60,000
Bonus	10,000
Share of the moving pictures	50,000

Total	\$120,000
Earned while training, after signing	25,000

Grand total	\$145,000
Jeffries—Forty per cent of the purse	\$ 40,400
Bonus	10,000
Share of the moving pictures	66,666

Total	\$117,066
Earned while training, after signing	75,000

Grand total\$192,060
Intimate friends of the promoters, Tex Rickard and Jack Gleason, say their profits, even allowing for the \$25,000 or more loss through changing the scene of the fight from San Francisco, would be well above \$100,000. The arena itself cost about \$30,000.

"TAKE THE LADIES AWAY"

Cried Switchman Caught Between a Car and a Platform.

New York, July 6.—While policemen and other struggled to release him, Charles Rose a switchman of the Brooklyn Rapid Transit lines, who had been caught between the station platform at Canarsie and the side of a train, disregarded his own mortal injuries to urge the onlookers to take the women away from the spectacle of his sufferings.

"Don't take it so hard people," he said. "I am not suffering much. Take those ladies over there away. This is no place for ladies."

Rose was coupling another car on a train when the train suddenly moved ahead. As he turned to adjust the air brakes the car platform hit him.

Instead of grasping the platform, which probably would have saved his life, the young man tried to jump to the station. He was caught by the side of the car and twisted around

AN OLD-TIME PRESCRIPTION

In a modern product. From time immemorial sage and sulphur have been used for hair and scalp. Almost every one knows of the value of such a combination for darkening the hair and making it grow. In olden times the only way to get a hair tonic of this sort was to brew it in the home fireplace, a method which was tiresome and not always satisfactory. Nowadays almost every up-to-date druggist can supply his patrons with a ready to use product, skillfully compounded in perfectly equipped laboratories. Such a preparation is Wyeth's Sage and Sulphur, which is sold by all leading druggists for 50c and \$1.00 a bottle, or which is sent direct by the Wyeth Chemical company, 74 Cortlandt St., New York City, upon receipt of price.

A Storekeeper Says:

"A lady came into my store lately and said:

"I have been using a New Perfection Oil Cook-Stove all winter in my apartment. I want one now for my summer home. I think these oil stoves are wonderful. If only women knew what a comfort they are, they would all have one. I spoke about my stove to a lot of my friends, and they were astonished. They thought that there was smell and smoke from an oil stove, and that it heated a room just like any other stove. I told them of my experience, and one after another they got one, and now, not one of them would give here up for five times its cost."

The lady who said this had thought an oil stove was all right for quickly heating milk for a baby, or boiling a kettle of water, or to make coffee quickly in the morning, but she never dreamed of using it for difficult or heavy cooking. Now—she knows.

Do you really appreciate what a New Perfection Oil Cook-Stove means to you? No more coal to carry, no more coming to the dinner table so tired out that you can't eat. Just light a Perfection Stove and immediately the heat from an intense blue flame shoots up to the bottom of pot, kettle or oven. But the room isn't heated. There is no smoke, no smell, no outside heat, no drudgery in the kitchen where one of these stoves is used.

Cautionary Note: Be sure you get this stove—see that the name-plate reads "New Perfection."

DID THE GIRL SUICIDE?

Relatives Think Not and Offer Rewards for Murderer.

Detective J. H. Koch, who was employed by Sheriff Hagener to investigate the death of Miss Annie Wendler, today reported to the sheriff that from his findings it is his opinion that the girl was not murdered, but had committed suicide, says Tuesday's Jefferson City Post. Sheriff Hagener has been of the same opinion, as well as have the local police force.

Here is another paragraph from the same newspaper:

"The rewards for the slayer or slayers of Miss Annie Wendler, which were forecasted exclusively in the Daily Post, were offered today. The amount is \$7,500. John Wendler, father of the dead girl, offers a reward of \$500; Governor Hadley, \$300; county court of Cole county, \$200; Sheriff Hagener \$200, and Kansas City Post, \$100.

GLENNON ON THE BIG FIGHT

Says Negro Race Will Excel the White Physically.

St. Louis, July 6.—Archbishop Glennon was quoted yesterday in a St. Louis paper as saying he was not surprised at the victory of Jack Johnson at Reno. The physical development of the white man has reached its highest point, in the belief of the bishop, while that of the negro has not.

"The rapid advance of the negro race has made it certain that they would at some time excel the white man in physical excellence," said the archbishop.

"Mental and moral advancement come later. The development of the white man is now along mental and moral lines. I should not wonder but what Sam Langford and Joe Jeannette, the negro boxers, also should be superior to any white man."

The Stomach and How To Cure Its Ills, Free

More thought is being given to the stomach today than to any other organ. Dieting and a hundred other things are suggested, but the fact remains that we have to eat and that in the main we are eating the same food today that has been eaten for hundreds of years. The point, then, is to find a way of remedying an evil when we find it.

There comes a time in the lives of all of us when a laxative is necessary, only with some this requirement occurs more frequently than with others. But whether the occasion is frequent or rare it is important that you take a simple, natural remedy. The farther you get away from the man-made tablet or pill and the salty purgative water the better. You want something that combines the virtues of a laxative and tonic, something that is sure in its effect and yet pleasant to the taste, a remedy containing earth-grown vegetables and plants. Such is Dr. Caldwell's Syrup Pepsin, now for nearly a quarter of a century a recognized household friend in thousands of homes.

The world affords no better cure for constipation and liver trouble, for indigestion and sour stomach, for headache and flatulency than this remedy. But in addition to its laxative value it contains ingredients that have a tonic action in strengthening and invigorating the muscles of the stomach and bowels. That is what the majority need—a tonic laxative. But so there may be no doubt about what it will do in your case, Dr. Caldwell will gladly send you a sample bottle free of charge upon receipt of your name and address. Then, if it pleases you, you can buy it of your druggist at fifty cents or one dollar a bottle, just as thousands of others are doing. J. E. Funderburg, Sams, Tex., not only uses it with good success himself, but gives it to his children, for owing to its mildness and agreeable taste there is no better laxative for children. S. P. Mead, Waucoma, Ia., has also found it a good family remedy.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R. 69 Caldwell building, Monticello, Ill.

HON. WM. D. STEELE

PAYS A VISIT TO THE FAMOUS
 ZOOLOGICAL GARDEN IN
 BERLIN, GERMANY.

EUGENE FIELD'S MISSOURI COON

Lines That Were Written Many Years
 Ago by a "Show Me" State Journalist
 Who Has Been Called
 to His Last Reward.

A communication received in Sedalia today from Hon. W. D. Steele and family, who are on a trip around the world, shows that they were at Berlin June 22. They write:

"We visited the famous zoological garden and saw the 'Missouri coon' which the late Eugene Field made immortal in poetry. The coon wished to be remembered to — and the rest."

Following is the plaint of the Missouri coon in the Berlin zoological gardens, written by the late Eugene Field:

Friend, by the way you hump yourself you're from the states, I know, And born in old Mizoorah, where the 'coons in plenty grow. I, too, am native of that clime but harsh relentless fate Has doomed me to an exile far from that noble state;

And I, who used to climb around, and swing from tree to tree, Now lead a life of ignominious ease, as you can see.

Have pity, O compatriot mine! and bide a season near, While I unfurl a dismal tale to catch your friendly ear. My pedigree is noble; they used my grandsire's skin To piece a coat for Patterson to wear himself within—

Tom Patterson, of Denver; no ermine can compare With the grizzled robe that democratic statesman loves to wear. Of such a grandsire I am come; and in the County Cole All up an ancient cottonwood our family had its hole.

We envied not the liveried pomp nor proud estate of kings, As we hustled round from day to day in search of bugs and things.

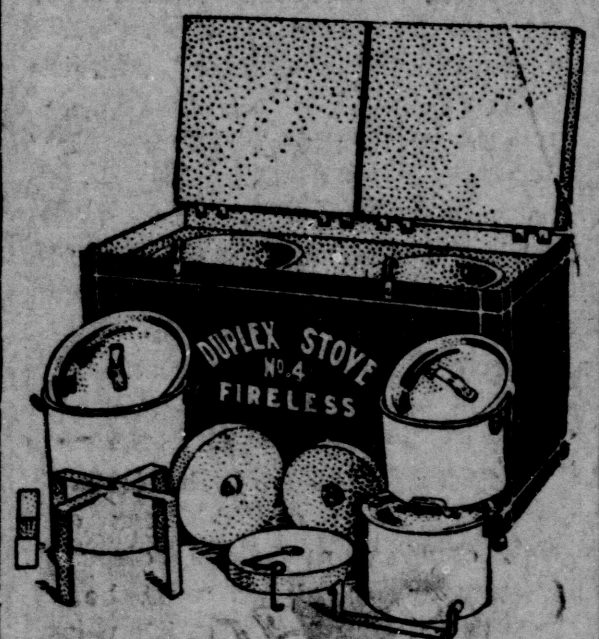

And when the darkness fell around, a mocking-bird was high, Inviting pleasant, soothing dreams with his sweet lullaby; And sometimes came the yellow dog to brag around all night That nary coon could wallop him in a stand-up barrel fight.

We simply smiled and let him howl, for all Mizoorians know That any coon can best a dog, if the coon gets half a show; But we'd nee close and shiver when the mellow moon had risen, And the hungry nigger sought our lair in hopes to make us his'n.

Raised as I was, it's hardly strange I pine for those old days; I cannot get acclimated, or used to German wifys.

The victuals that they give me here may all be very fine For vulgar, common palates, but they will not do for mine.

The coon that's been accustomed to starch democratic cheer Will not put up with onion tarts and sausage steeped in beer! No; let the rest, for meat and drink, accede to slavish terms, But send me back from whence I came, and let me grub for worms!

The only Fireless Cooker that is sanitary. No cushions to absorb finest flavor foods cooked.

Equipped with aluminum cooking vessels. All seamless

They come, these gaping Teutons do, on Sunday afternoons, And wonder what I am, alas, there are no German coons! For if there were, I still might swing at home from tree to tree, The symbol of democracy, that's woolly, blithe and free. And yet for what my captors are I would not change my lot, For I have tasted liberty, these others they have not; So, even caged, the democratic coon more glory feels Than the conscript German puppets with their swords about their heels.

Well, give my love to *Crittenden, to Clardy, and *O'Neill, To *Jasper Burke and Col. Jones, and tell 'em how I feel; My compliments to Cockrell, Stephens, *Switzer, Francis *Vest, Bill Nelson, J. West Goodwin, *Jedge Broadhead and the rest.

Bid them be steadfast in the faith, and pay no heed at all To *Joe McCullagh's badinage or Chaucer's Filley's gall; And urge them to retaliate for what I'm suffering here. By cinching all the alien class that wants its Sunday beer.

*Dead.

Compliments of J. West Goodwin.

LITTLE TOTS ENTERTAINED

Pleasure Provided for Them at Melita Day Nursery.

In order to bring the mothers in closer touch with the Day Nursery, and also to provide a social evening for both mothers and children, all were invited over to the Melita Day Nursery from 7:30 till 9 o'clock on the evening of July 4.

At the appointed hour there were gathered in the yard fifteen bright, happy children and five mothers. Then, for about an hour, the ring of merry voices, the words of childish

delight, told how much the children appreciated the fireworks that had been provided for them by kind friends.

After this, light refreshments were served. As the goodnights were said, words of appreciation came from both mothers and children for the evening's pleasure.

Rheumatism

I have found a tried and tested cure for Rheumatism! Not a remedy that will straighten the distorted limbs of chronic cripples, nor turn bony growths back to flesh again. That is impossible, but I can now surely kill the pain and purge of this deplorable disease. In Germany—with a Chemist in the City of Darmstadt—I found the last ingredient with which Dr. Shoop's Rheumatic Remedy was made a perfected, dependable prescription. Without that last ingredient, I successfully treated many, many cases of Rheumatism; but now, at last, it is uniformly cured all cases of this heretofore much dreaded disease. These sand-like granular wastes, found in Rheumatic Blood, seem to dissolve and pass away under the action of this remedy as freely as does sugar when added to pure water. And then, when dissolved, these poisonous wastes freely pass from the system, and the cause of Rheumatism is gone forever. There is now no real need—no actual excuse to suffer longer without help. We sell, and in confidence recommend

KILLED JUMPED OFF TRAIN

Pleasant Hill Youth Warned By Companions Not to Leap.

Pleasant Hill, Mo., July 6.—Ben Anderson, 18 years old, of Pleasant Hill, was killed instantly by jumping from a moving freight train which he had boarded, with companions, at Independence.

My Corns Don't Hurt a bit.

Tired, Ailing, Swollen, Smelly, Sweaty Feet, Corns, Galls, Bunions, TIZ Cures Right Off.

Say good-bye to your corns the very first time you use TIZ. You will never know you have a corn, bunion or callous, or sweaty, tired, swollen, aching feet any more. It's just wonderful the way the pain vanishes. Rub the corn—hammer it with your fist if you wish—no more pain after TIZ than if there had never been a blemish on your feet. Doesn't that sound good to you? Doesn't it? Then read this:

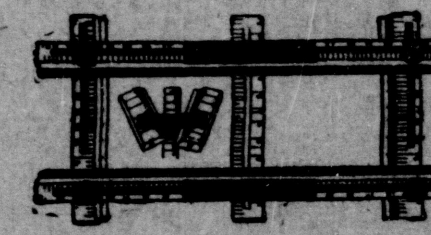

"The corns on either of my toes were as large as the tablets you make to cure them. Today there is no sign of corns on either foot and no soreness. It's an up-to-date God-send.—Sam A. Hoover, Progress, N. C.

Just use TIZ. It's not like anything else for the purpose you ever heard of. It's the only foot remedy ever made which acts on the principle of drawing out all the poisonous exudations which cause sore feet. Powders and other remedies merely clog up the pores. TIZ cleans them out and keeps them clean. It works right off. You will feel better the very first time it's used. Use it a week and you can forget you ever had sore feet. There is nothing on earth that can compare with it. TIZ is for sale at all druggists, 25 cents per box, or direct, if you wish, from Walter Luther Dodge & Co., Chicago, Ill.

MERRY IN A PRISON

MANY OF THE INMATES ENGAGE IN BOXING MATCHES AT THE PENITENTIARY.

DID THE JEFFRIES-JOHNSON ACT

Others Played Games, Heard Music and All Enjoyed a Special Dinner Prepared Under the Warden's Direction.

The Fourth was observed as a holiday at the penitentiary, says Tuesday's Jefferson City Post. The convicts received the liberty of all the prison yards from 6 a. m. Stands were erected all over the yards, where all sorts of sweetmeats, cigars and soft drinks were vended by convicts to convict purchasers.

The negro convicts, in particular, celebrated. They had banjos galore and almost everything they could have wished for, save watermelons, strong drink and games of chance. Half a dozen games of baseball were going on nearly all day, and perhaps fifty other different kinds of amusement.

The prison was not in touch with the rest of the world as to news from the Jeffries-Johnson prize fight, but this did not prevent many boxing matches in the prison. The prison officers took care that the combatants did not injure each other severely, but otherwise they allowed them to hammer away.

There are two big holidays at the penitentiary each year. The Fourth of July is looked forward to more eagerly by the convicts, than the other holiday, Christmas, because they can take more advantage of the liberty of the yards. The day was enjoyed by all the convicts, and it passed without any serious infraction of the prison rules.

Warden Andrae had caused an elaborate dinner to be provided for the convicts of whom there are now

2,350, including eighty-five women. Here are some of the things used for dinner: Baked ham, 3,500 pounds; potatoes, 45 bushels; corn and wheat bread, 1,200 pounds; cabbage, 1,800 pounds; ginger snaps, 1,250 pounds; radishes, 600 bunches, and half a dozen other varieties of vegetables, fresh from the prison garden. Ten boxes of lemons were consumed before the last convict said he had all the lemonade he cared to drink.

The women convicts had the full liberty of the female department and ate the same dinner as that served the men. Their chief form of amusement in dancing and singing. Music was furnished for them all day. The negro women, who form the larger majority of female prisoners, could hardly spare time for dinner, so anxious were they to dance and sing. The white woman convicts were not so much disposed to gaiety.

SPORTS LOST COIN

THAT IS, THE PORTION OF THEM THAT WAGERED IT ON THE BIG WHITE MAN.

NAT GOODWIN PICKED WRONG MAN

No Luckier Naming Winner in Prize Ring Than He Has Been in Selecting Them in Matrimonial Arena.

Reno, Nev., July 6.—Many sports got badly stung in the betting on the big fight Monday. Nat Goodwin lost \$13,500, which he had laid to \$8,000 Johnson money. George Considine is in the hole for \$8,700. "Sandy" Clements, of Jersey City, got it for \$4,000. Philly, the Australian horseman, had \$16,000 up in commissions for himself and his friends in Sydney and Melbourne.

Matt Larkin, of San Francisco, took \$14,000 clear winnings. Matt has been following Billy Delaney's advice right along. Sandy McNaughton, of San Francisco, won \$4,000. "I bet on judgment, not on color," said Sandy, as he collected.

Tom Corbett, whose poolroom was the main center of activity, said he had placed very few large wagers, but collectively they amounted to quite a sum.

Jimmy Coffroth, the fight promoter, cleaned up handsomely on Johnson. He won \$8,000, most of his money being bet on the rounds.

About \$5,000 was placed at even money that Jeffries wouldn't win in 20 rounds, the balance being won on the result. Ben Sell, the former manager of Joe Gans, is richer to the extent of \$3,000 over Johnson's victory.

Special to the Democrat-Sentinel. Tipton, Mo., July 6.—Hundreds of people attended the picnic at Bowles' park on the Fourth, which was given under the auspices of Tipton council, Knights of Columbus, and was declared to be the greatest celebration held here for several years. Crowds thronged the park all day and till late at night.

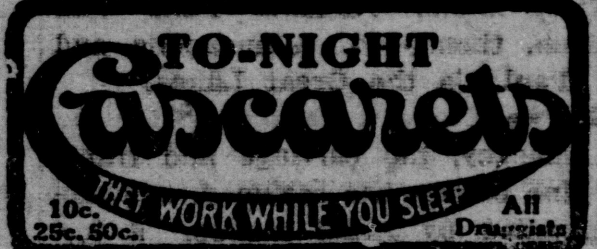

The chief attractions were the box ball alley, shooting gallery, cane rack, fish pond and fancy work tables.

A large dance floor was erected. Dancing began at 2 p. m. and the music was furnished by Rucker's orchestra.

Constipation

"For over nine years I suffered with chronic constipation and during this time I had to take an injection of warm water once every 24 hours before I could have an action on my bowels. Happily I tried Cascarets, and today I am a well man. During the nine years before I used Cascarets I suffered untold misery with internal piles. Thanks to you, I am free from all that this morning. You can use this in behalf of suffering humanity." B. F. Fisher, Roanoke, Ill.

A grand exhibition of fireworks was given at night. P. J. Weber was chairman of the committee on arrangements and was assisted by Messrs. Fred W. Vogel and Joseph F. Schwartz.

To them, as well as to the ladies, is due the credit for making this one of the most successful picnics held here for years.

Saloon Thought No. 433

A man was in Sedalia yesterday that is a keeper of a Kansas "Prosperity Station." Kansas closed her saloons over 20 years ago. The old paupers died off, and this left the usual county poor farm idle. The legislature joined hands with the federal government and the Kansas state agricultural school and made each county poor farm a "prosperity station." All kinds of agriculture experiments are now carried on on these farms, and each month has a "gala day." Farmers from all over the county are invited to come and hear lectures, see actual demonstrations on that particular soil, its best adaptations, etc., etc. They see the actual crops growing and maturing. This has already proven that many farmers were growing alfalfa at a loss, that other crops would grow better and pay the farmer better. Now just pocket your prejudice and just imagine how WE can compete with such alertness as this. We believe that the way to be prosperous is to make drunkards of our citizens, as long as we get a dollar back for every \$25 they spend, then we are prospering. Is it any wonder to you that Kansas has \$145.20 per capita in her banks and we have less than \$20.00. Think of it, over \$125 more per capita in her banks than we have. This gentleman, yesterday, said this, "I have lived in Illinois, Iowa and Nebraska and twelve years ago I went to Kansas, and I never dreamed of such a difference where the saloon does not exist. I had always heard Kansas made fun of on account of 'prohibition,' but since investigating, not a single state in the union can compete with us for prosperity and progressiveness. We can have any kind of election we want, and no brewer or saloon-keeper sticks his dirty fingers into our affairs."

NEWS OF THE RAIL

INSPECTOR OF BALDWIN LOCOMOTIVE WORKS DESCRIBES ENGINE IN AFRICA.

COACH, CAB AND CABOOSE ITEMS

Matters of Interest Picked Up From Various Sources for the Benefit of Democrat-Sentinel Readers.

The Locomotive Engineers' Magazine says the following story about the wonder of an American locomotive comes unsolicited from one of the inspectors of the Baldwin Locomotive Works of Philadelphia:

Editor Burlington Enterprise. Dear Sir:—I am an inspector at the Baldwin Locomotive Works, and while traveling in Africa, some time ago, I saw the most powerful locomotive in the world. I want to tell you about it, so you can let your people know that they have larger engines there than they have here.

This engine has five acres of netting in the smoke box, and it took a man a day and a half to walk through the cylinder. Every time the engine exhausts, it runs for twenty minutes after. There is an elevator that goes to the headlight to hoist the oil, as it requires five barrels to fill it. It takes two men forty-five minutes to light one single lamp.

The engineer is compelled to use the X-Ray to watch for signals, and after running six months goes blind. It takes two astronomers with powerful telescopes to see her going, and the glare of the headlight can be seen through a hill one and a half miles thick.

It took nine carpenters four months to build the pilot. They use a steam shovel to give her coal. The tank holds 27 carloads, and every time they wash the boiler it is necessary to drain the Suez canal.

The pony wheels are as large as an ordinary turntable used here. The roundhouse force hold a picnic in the firebox every summer. She carries 860 pounds of steam and 360 pounds of air train line.

She can haul 720 loaded cars, and in good weather, she might walk away with 722. She runs from Kimberly to Johannesburg, a distance of 900 miles, and the wind from the train has been known to knock down monstrous trees of the forest, and she makes the run in three hours and eleven minutes.

When she leaves the track, there is an earthquake in China four days later.

The throttle is pulled by a stationary engine in the cab, and the lubricator holds four barrels of oil. The train goes so fast that when she is stopped she is still going ten miles an hour.
